Notes for Dorothy Jean Thomas:

Footnote: "This info came from the 1850, 1860, 1870, and 1880 Hall Co, GA census and personal knowledge. There is a Harvey Pierce in the 1870 Lumpkin County census that matches the Harvey listed above, but I have not checked that microfilm yet.

There was a Pierce that was faded and hard to read in the 1880 Hall County census that might be the Andrew Pierce born in 1856 or the Andrew J. Pierce born in 1857, I will have to look at that again. I have not found at least one of the Andrew Pierces, Jasper L. Pierce born about 1856, and George Pierce born about 1843. I have not checked the Lumpkin County census yet, it may provide some answers. While researching the 1880 Hall county census I also found Sampson's brother Wilson Pierce 68, and his sons Newton J. Pierce 34 and Washington Wiley Pierce 29. "
